that anonymity and that distance mean that the internet is one of the great carriers of prejudice and paranoia, and I don't take it lightly.

That anonymity and that distance mean that the internet is one of the great carriers of prejudice and paranoia, and I don't take it lightly.

Pazienti hanno ricevuto singole iniezioni sottocutanee fino a 12 mg senza significativi effetti avversi.

With this one, the whole thing is clearly a bit of a publicity stunt, but the company hopes that enlisting...
