i wonder if you think i'm pregnant or not? or if im just hoping i am. speaking to my gp tomorrow going to try get a blood test as i've been putting it off expecting my af to show up.

also, if cake isn't important but you still want to have a large wedding i have 2 words for you: sheet cakes

that human-caused impact crater, which is roughly 100 feet (30 meters) in diameter, has been imaged by the super-sharp camera system onboard nasa's lunar reconnaissance orbiter.

they have had with the administration or "anyentity" working on the website project, and for a "specific description"
